SUGGESTED CEREMONY

Look over the Blessings and pick out those which you might like to have the Parish Priest impart. You might also suggest an order in which to have the blessings given.

For example: Perhaps start with blessing the house itself; go to the barn, the animals in the main lots, the car, and end up in the houseyard for the general blessing of the fields and pastures. (One need not go into the fields or all the buildings and lots of the farm.)

If you have an outdoor shrine this would be the ideal place for the recitation of the Litany of the Saints. If you like you can find the Litany in most prayer-books. Look near the Rogation Days, i.e., Monday, Tuesday, and Wednesday before Ascension Thursday.

"Everyone that asks, will receive; seek, and you shall find, knock and the door shall be opened." (Luke 11: 5 13)
